Hiring Manager  
Riot Games  
LOS ANGELES, USA

Dear Hiring Manager,

I am writing to express my interest in the Staff Software Engineer – Esports role at Riot Games. As a highly skilled software engineer with 1 years of experience in Software Development, I believe that I would be a great fit for your team.

In my previous role at Simon Fraser University, I was responsible for helping the general public with diagnosing computer problems. Through this experience, I have developed a strong foundation in problem solving skills and a proven track record of delivering high-quality solutions on time and within budget.

At Riot Games, I am excited to contribute my expertise in Python, html, CSS as well as my ability to collaborate effectively with cross-functional teams. In particular, I am impressed by large gaming audience and I am eager to apply my skills to help the company achieve its goals.

I am confident that my experience, skills, and passion for technology make me a strong candidate for this position. Thank you for considering my application. I look forward to the opportunity to further discuss my qualifications with you.

Sincerely,  
Jane Doe  
Junior Software Engineer
